REGISTER YOUR LOCAL SOLAR TOUR:

A Local Solar Tour is a collection of Solar Sites. Note, as a host you do not need to showcase your own site. The official weekend of the National Solar Tour is October 2-3, but you can host a Local Solar Tour anytime during the year.

1. Go to nationalsolartour.org/signup to sign up your Tour
2. For the first question, choose the option "**Local Solar Tour**"
3. Then choose "**Add Entry**" to sign up your Local Solar Tour
4. A new form will appear, please **answer the questions in the exact order they appear**.
5. Fill out your contact information for the **main Tour organizer** and any other Tour organizers. Please note, you can click the small "+" next to the last box on the right to add more than one additional contact.
6. Create a **name and description** for your Local Solar Tour. Add details on what **features** attendees can expect to see on your Tour.
7. Select whether your Local Solar Tour will be an **in-person, virtual or a hybrid** Tour.

For an **in-person Tour**, please fill out the following:

- Select if you would like an **RSVP webpage** created for you or if you already have your own site.
 - If you selected that you would like one created for you, upload a photo (**landscape preferred**) to feature on the custom webpage.
 - If you already have your own Tour site, please **provide the link** so we can send attendees there.
- Add the **date(s) and time(s)** of your Local Solar Tour. Please note, you can click the small "+" next to the last box on the right to add more than one date/time.
- Let us know if you would like a **yard sign or brochures** for your Local Solar Tour. **Note, you can help ASES save the planet and reduce waste by creating your own or reusing old yard signs.**

For a **virtual Tour**, please fill out the following:

- Select if you would like a **custom webpage** created for your virtual Local Solar Tour or if you already have your own.
 - If you would like one created for you, select if you would like to **display your email** for attendees to ask you questions and **upload a photo (landscape preferred)** to feature on your webpage.
 - If you already have your own site, please **provide the link** so we can send attendees there.
- Choose if you would like to livestream parts of your Tour.

For a **hybrid Tour**, please fill out the following:

- Select if you would like an **RSVP webpage** created for you or if you already have your own site.
 - If you would like one created for you, select if you would like to **display your email** for attendees to ask you questions and **upload a photo (landscape preferred)** to feature on your webpage.
 - If you already have your own Tour site, please **provide the link** so we can send attendees there.
- Add the **date(s) and time(s)** of your Local Solar Tour. Please note, you can click the small "+" next to the last box on the right to add more than one date/time.
- Select if you plan on **live streaming** parts of your Tour.
- Let us know if you would like a **yard sign or brochures** for your Local Solar Tour. **Note, you can help ASES save the planet and reduce waste by creating your own or reusing old yard signs.**

8. Let us know about your previous National Solar Tour involvement.
9. Fill out the final details and additional information. **Be sure to sign up for our email list too!**
10. When you are finished, select "**Add Entry**"
11. **Agree to Terms & Conditions**
12. When finished, select "**Submit**"

REGISTER YOUR SOLAR SITE ASSOCIATED WITH A LOCAL SOLAR TOUR:

The official weekend of the National Solar Tour is October 2-3, but you can host a Solar Site anytime of the year. Solar Sites can be a home, business, school, government building, non-profit, religious institution, or an electric vehicle. Please make sure your Local Solar Tour organizer has already signed up your Tour before you sign up your Solar Site.

1. Go to nationalsolartour.org/signup
2. Select "**Solar Site as part of a Local Solar Tour**" for the first question
3. Then choose "**Add Entry**"
4. A new form will appear, please **answer the questions in the order they appear**.
5. Fill out your **contact information** for the main Solar Site organizer and any additional organizers. Please note, you can click the small "+" next to the last box on the right to add more than one additional contact.
6. Choose the Local Solar Tour you are associated with from the drop down list. **If you do not see your Local Solar Tour then your Tour Organizer has not signed up your Tour.**
7. Select the type of Solar Site you are hosting, then **input the name and description of your Solar Site**. Let attendees know your system size and what other features are at this site. If applicable, let us know the organization or company name.
8. Choose whether your Solar Site will be **in-person, virtual or a hybrid** Tour.

For an **in-person Solar Site**, please fill out the following:

- Select if you would like an **RSVP webpage** created for you or if you already have your own.
 - If you would like one created for you, let us know if you would like us to display your email for attendees to ask questions and upload a photo (**landscape preferred**) to feature on your RSVP webpage
 - If you already have your own website, please provide us the link so we can send attendees there.
- Add the **date(s) and time(s)** of your Solar Site Tour. Please note, you can click the small "+" next to the last box on the right to add more than one date/time.

For a **virtual Solar Site**, please fill out the following:

- Select if you would like a **webpage** for your virtual tour created for you or if you already have your own.
 - If you would like one created for you, select if you would like to **display your email** for attendees to ask you questions and **upload a photo (landscape preferred)** to feature on your webpage.
 - If you already have your own website, please provide us the link so we can send attendees there.
- To choose whether you would like to showcase your solar journey through **photos or a video**.
 - For **photos**, upload photos when prompted..
 - For a **video**, submit a Youtube or Vimeo link to your video.
- Choose if you will **livestream** parts of your Solar Site

For a **hybrid Tour**, please fill out the following:

- The **date(s) and time(s)** of your Solar Site tour - Please note, you can click the small "+" next to the last box on the right to add more than one date/time.
- Choose if you would like a **custom webpage** created for you or if you already have your own.
 - If you would like one created for you, choose if you would like to **display your email** for attendees to ask you questions and **upload a photo (landscape preferred)** to feature on your webpage.
 - If you already have your own website, please provide us the link so we can send attendees there.
- Tell us your **Solar Story**. Select how you would like to showcase your solar journey through a **photos or a video**.
 - For **photos**, upload photos when prompted..
 - For a **video**, submit a Youtube or Vimeo link directly to your video.
- Select if you plan on **live streaming** any part of your Solar Site tour.

9. Let us know about your previous National Solar Tour involvement.
10. Fill out the final details and additional information. **Be sure to sign up for our email list too!**
11. When your finished, select "**Add Entry**"
12. **Agree to Terms & Conditions**
13. When finished, select "**Submit**"

TIPS FOR TOUR HOSTS

- Signage! Offer educational materials for sustainable aspects of homes
- Have the owner communicate if pictures are allowed or not (Note: ASES would love to share your pictures! Please send any to solartour@ases.org)
- Have volunteer badges / name tags for volunteers
- Have host name badges (differentiate from volunteer badges)
- Have the builders present if possible for questions from attendees
- Offer a laptop slideshow showcasing the sustainable aspects of home
- Adding home specs in the brochure of your tour
- Add a list of resources: installers, builders, suppliers, designers to brochure
- Have explicit shoes off policy or offer reusable shoe covers
- After party is a great idea - opportunity to thank tour hosts and offers a final chance for questions from everyone
- Have photos of the houses in programs/brochures/maps
- If houses on your tour are really far apart, possibly break up into multiple maps to see street names
- Have anything on hand that physically shows construction details of the home (builders could supply)
- Emphasize energy efficiency before renewable energy consumption
- Making literature, brochures, business cards of builders, architects, installers available to attendees
- Encourage biking and carpooling to homes along your tour
- Providing light refreshments is a nice touch if homeowners are comfortable providing some
- Teaming up with other tours in your area, for example: Boulder tour-goers got a promo code for free admission to Metro Denver Tour when tickets were purchased
- Most importantly... HAVE FUN!

Contact: [Your Name, Phone, Email]

For Immediate Release

[Your Org Name] and the American Solar Energy Society Host the National Solar Tour in Support of the World's Largest Grassroots Solar Event.

Homes, Schools & Businesses Nationwide are Participating in the 26th Annual ASES National Solar Tour in order to Help [your town] Residents Cut Energy Costs, Enjoy Tax Credits & Assert Their Energy Independence!

[YOUR TOWN, STATE, Date] – [Your organization name here] joins the nonprofit American Solar Energy Society (ASES) and hundreds of solar-savvy installers and grassroots organizations throughout America to showcase thousands of solar-powered homes, schools and businesses — in [your town or region] and across North America in-person and virtually -- for the 26th Annual National Solar Tour, the world's largest grassroots solar event.

The event, slated for [date of tour here], will showcase the solar technologies your neighbors are using to 1) drastically reduce monthly energy bills, 2) reduce harmful carbon emissions, and 3) enjoy rich tax credits and cash incentives as they improve their property values.

"The ASES National Solar Tour shows families and businesses real-life examples of how their neighbors are harnessing free energy from the sun to generate electricity, warm and cool their homes, heat water and slash monthly utility bills," [he/she] said.

On [date], [Name of your event/organization] will hold Solar Site Tours of more than [number of participating sites] homes and businesses in the greater [use name of your region here] area.

The self-guided National Solar Tours have attracted more than 150,000 people in 49 U.S. states, the District of Columbia and Puerto Rico. National Solar Tours afford participants the direct perspectives of homeowners and installers about the costs, processes and economic and environmental benefits of going solar. The National Solar Tour also gives [use name of your citizenry, e.g. 'Coloradans' or 'San Diegans'] a glimpse at how a variety of solar systems look in and around structures with different architectural styles.

"The National Solar Tour demonstrates an array of practical and economical solutions available right here, right now. It encourages neighborhood conversations addressing the growing need for clean energy," ASES Executive Director, Carly Rixham, stated.

This National Solar Tour is free and open to the public [or, if your tour charges a nominal fee or donation, please describe here]. Learn more about sponsoring, hosting or volunteering for a tour in your community at: nationalsolartour.org.

ABOUT [YOUR ORGANIZATION]: [Add 2-3 sentences describing your organization here.]

ABOUT THE AMERICAN SOLAR ENERGY SOCIETY:

Since 1954 the American Solar Energy Society has led the renewable energy revolution. It is the nonprofit organization dedicated to increasing the use of solar energy, energy efficiency, and other sustainable technologies across North America. ASES leads national efforts to promote solar energy education, public outreach, and advocacy. www.ases.org.

Address

Dear (name),

We're delighted that you've expressed interest in sponsoring the 2021 [organization name/Local Solar Tour Name] Solar Tour on [insert date].

This event is part of the annual National Solar Tour, coordinated by the American Solar Energy Society in all 50 states. Our National Solar Tour gives prospective customers a chance to tour exemplary homes and buildings, and learn how sustainable technologies are already reducing utility bills right here in their own neighborhood. The National Solar Tour engaged more than 150,000 participants: solar installers, energy-efficiency businesses, solar homeowners – and, most of all, qualified potential customers.

As a [insert organization name/Local Solar Tour Name] National Solar Tour Sponsor, your business will receive locally-targeted visibility to tour attendees. The National Solar Tour is open to the public, and tour attendees have proven to be a self-selected eager audience for information on distributed-energy installations.

Because the National Solar Tour has always been a grassroots operation, [run by volunteers,] it's a remarkably cost-efficient way to promote your business. Solar homeowners and small businesses open their doors and explain their own sustainable solutions to people who are already interested in making their own investment in your products and services. National Solar Tour attendees are targeted customers focused for a whole [Saturday] on learning how to get started, what products are available, costs, financing options, payback periods, how to find an installer and more.

These are the customers you've been looking for, and they are ready to buy!

- 76% of National Solar Tour attendees surveyed confirmed they will or are very likely to purchase and install solar or energy efficient systems after attending the National Solar Tour
- 33% of National Solar Tour attendees state that they plan to invest in these technologies within the next year and 51% within two years
- 49% have household incomes of \$75k or more

Don't miss the opportunity to reach your targeted local market.

Attached is this year's local sponsorship opportunities for your consideration. If you are interested in sponsoring on a national level, please contact ASES' Sales Department at sales@ases.org.

Sincerely,

Name

**Sign-up to Host a
Local Solar Tour or Solar Site
on the National Solar Tour!**

October 2 & 3, 2021
and the surrounding weekends

Join hundreds of your fellow solar owners from across the country in the largest national solar event, coordinated by leading solar energy non-profit organization, the American Solar Energy Society.

Welcome interested members of your community to see your solar system up close and hear about your experience and reasoning for going solar either in-person and/or virtually. Connect with folks who are interested in going solar, show off your solar system, answer questions, share stories, and celebrate the power of solar energy!

Hosting a Solar Site or Local Solar Tour is easy! Any solar home, business, non-profit organization, religious institution, or municipal building is invited to participate by hosting a virtual, in-person, or hybrid event on this year's Tour!
