

2023 WAYNE COUNTY SOLAR HOMES TOUR

Presented by

Wayne County Sustainable Energy Network (WCSEN)

Invites you on a self-driving tour to learn how homes, vehicles and heating and AC systems can be powered by renewable solar and geothermal energy and reduce energy costs.

Visit one or all of the sites on the dates and times below. More info at www.wcsen.org.

DATE AND TIME	HOST	LOCATION	TECHNOLOGIES
Friday, Oct 6 4-6 pm	Brodie DeHass 8108 Private Road 340 Millersburg, OH 44654 330-763-3234		Rooftop solar PV Electric Vehicles Level 2 EV Charger Solar installer present
Saturday, Oct 7 10-6 pm	Ryan Leeper 1733 East Messner Rd Wooster, OH 44691 330-421-7586		Geothermal heat pump Rooftop solar PV Electric vehicle Level 2 EV charger
Sunday, Oct 8 10-6 pm	Dan and Cathy Herms 5618 Lattasburg Rd Wooster, OH 44691		Ground-based solar PV Geothermal heat pump Plug in hybrid electric vehicle 1.5 kW EV back-up generator
Saturday Oct 7 11-2 pm	Matt Stanford 11080 Parmenter Rd Burbank, OH 44214		Energy Star electric appliances Geothermal heat pump 13 kW Rooftop solar PV Electric vehicle
Saturday Oct 7 1-3 pm	Nathan Feller 10344 Prospect (Eby) Rd Seville, Ohio		Agrivoltaics 14.4Kw Bi-facial solar PV Timber Frame Installer present
